AUTHORS GUIDELINES

ensure fast processing and publication. Acceptance or rejection notification will be sent to all authors.

Current Impact Factor of the journal is 0.21

The *Journal of Computing* invites contribution in the following categories:

1. Original research

2. Survey/Review articles, providing a comprehensive review on a scientific topic

3. Fast Communications: Short, self-contained articles on ongoing research

4. Technical Notes

We accept extended version of papers previously published in conferences and/or journals.

Submitted papers MUST be written in English, and the standard length of a paper is 10 pages. Extra pages are allowed and there is an additional fee payable per page.

Download the journal paper template (MSWORD | PDF) (final papers submitted for publication need to be in PDF format only)

Authors have full rights to submit a copy of their published papers to open access repositories, such as arXiv.org. They can self-archive both their original and/or journal published versions.

The during indexing process the authors' names as given in the final manuscript will be considered.

You will have to submit your manuscript together with the Copyright Form to editor.computing@gmail.com
